Ensure the invitation of persons from third-party organizations to undergo a scientific internship at KarTU, at least		-	-	-

Reasons for non-fulfillment of KP indicators:

1. Provide funding for contractual R&D - there are no enterprises interested in performing work on the history of Kazakhstan.
2. Ensure the preparation of articles for publication in scientific journals included in the Scopus database - the article has been sent for publication (we are waiting for confirmation of acceptance).
3. Ensure student participation in R&D – work in progress (supporting documents will be attached).

12. Analysis of the work of the Study Groups
