

Doctoral educational programs

Code and classification of the education field	Code and classification of training directions	Group number and name educational programs		Code and name of educational programs
8D07 Engineering, manufacturing and construction industries	8D071 Engineering and Engineering affairs	D099 Energy and electrical engineering	1	8D07103 Power engineering
			2	8D07104 Electric Power engineering (profile)
		D103 Mechanics and metalworking	3	8D07101 Mechanical engineering
			4	8D07105 Innovative mechanical engineering (profile)
			5	8D07106 Technological machines and equipment (by branches)
		D104 Transport, transport equipment and technologies	6	8D07102 Transport, transport equipment and technologies
	8D072 Industrial and manufacturing industries	D116 Mining Engineering	7	8D07202 Mining
			8	8D07205 Mining Engineering (profile)
		D117 Metallurgical Engineering	9	8D07203 Metallurgy
		D120 Mine surveying	10	8D07206 Mine surveying
		D121 Geology	11	8D07201 Geology and exploration of mineral deposits
	12		8D07204 Geology and exploration of mineral deposits (profile)	
	8D073 Architecture and Construction	D124 Construction	13	8D07301 Construction
